

CoQ-Zyme 100 Plus™

Product Number: 2617

CoQ-Zyme 100 Plus™ supplies 100mg of emulsified co-enzyme Q10, along with the B-complex vitamins Thiamin, Riboflavin, Niacin, Vitamin B6, folate, Vitamin B12, Biotin and Pantothenic acid.

Active Ingredients:

Thiamin (B1) (as cocarboxylase chloride), Riboflavin (B2) (as riboflavin-5-phosphate), Niacin (as niacin & niacinamide), Vitamin B6 (as pyridoxal-5-phosphate), Folate (as calcium folinate), Vitamin B12 (as methylcobalamin), Biotin, Pantothenic acid (as calcium pantothenate), Coenzyme Q10 (emulsified), Superoxide Dismutase (from vegetable culture †), Catalase (from vegetable culture †). † Specially grown, biologically active vegetable culture containing naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

Supplement Facts		
Serving Size: 1 Capsule		
	Amount Per Serving	% Daily Value
Thiamin (B1) (as cocarboxylase chloride)	5 mg	100%
Riboflavin (B2) (as riboflavin-5-phosphate)	1.7 mg	100%
Niacin (as niacin & niacinamide)	20 mg	100%
Vitamin B6 (as pyridoxal-5-phosphate)	2 mg	100%
Folate (as calcium folinate)	400 mcg	100%
Vitamin B12 (as methylcobalamin)	5 mcg	100%
Biotin	300 mcg	100%
Pantothenic acid (as calcium pantothenate)	10 mg	100%
Coenzyme Q10 (emulsified)	100 mg	100%
Superoxide Dismutase (from vegetable culture†)	80 mcg	-
Catalase (from vegetable culture†)	80 mcg	-
* Daily Value not established		

Other ingredients: Capsule shell (gelatin and water), gum arabic and magnesium stearate (vegetable source).

† Specially grown, biologically active vegetable culture containing naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

This product is gluten and dairy free.

RECOMMENDATION: One (1) capsule each day as a dietary supplement or as otherwise directed by a healthcare professional.

Caution: Not recommended for pregnant women.

CoQ-Zyme 30™

Product Number: 2615 or 2616

CoQ-Zyme 30™ supplies an emulsified form of Coenzyme Q10 (CoQ10) (ubiquinone). Since CoQ10 is an oil-soluble, vitamin-like substance, the emulsification assists in uptake and utilization. Published research has demonstrated that CoQ10 supplied by **CoQ-Zyme 30™** is significantly more bioavailable than other more common sources of CoQ10. This is especially important for those with malabsorption and/or maldigestion concerns, as CoQ10 plays a key role in energy production. Heart and skeletal muscles are particularly dependent on CoQ10, as are cells and tissues that are involved in immune function.

Active Ingredients:

Coenzyme Q10, Superoxide Dismutase (raw organic vegetable culture †), Catalase (from raw organic vegetable culture †). † Specially grown, biologically active vegetable culture containing naturally occurring and/or organically bound phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

Supplement Facts		
Serving Size: 1 Tablet		
	Amount Per Serving	% Daily Value
Coenzyme Q10 (emulsified)	30 mg	-
Superoxide Dismutase (from vegetable culture†)	30 mcg	-
Catalase (from vegetable culture†)	30 mcg	-
* Daily Value not established		

Other ingredients: Cellulose, stearic acid (vegetable source), gum arabic, magnesium stearate (vegetable source), modified cellulose gum, silica and food glaze.

† Specially grown, biologically active vegetable culture containing naturally occurring and/or organically bound phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

This product is gluten, dairy and GMO free.

RECOMMENDATION: One (1) tablet each day as a dietary supplement or as otherwise directed by a healthcare professional.

CurcumRx™

Product Number: 8012

CurcumRx™ supplies an all-natural turmeric complex, providing up to 50% total curcuminoid content, plus turmeric's 200 other naturally occurring compounds, including phenolic compounds, sesquiterpenes, sterol, fatty acids and more! **CurcumRx™** utilizes a specialized emulsion technology, concentrating turmeric's many nutrients and greatly enhancing bioavailability without the use of nanotechnology, including the use of tweens and other surfactants that may damage lipid membranes. **CurcumRx™** offers significant antioxidant capacity, supports healthy endothelial function, and inhibits the activation and release of NF-κB, thereby downregulating inflammatory mediators.

Active Ingredients:

Curcuma longa, Superoxide Dismutase (raw organic vegetable culture †), Catalase (from raw organic vegetable culture †). † Specially grown, biologically active vegetable culture containing naturally occurring and/or organically bound phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

Supplement Facts		
Serving Size: 2 Capsules		
Servings Per Container: 30		
	Amount Per Serving	% Daily Value
Curcuma longa (emulsified) (root extract) †	500 mg	-
Superoxide Dismutase (from vegetable culture ††)	20 mcg	-
Catalase (from vegetable culture ††)	20 mcg	-
* Daily Value not established		

Other ingredients: Vegetarian capsule shell (modified cellulose) and silica.

† Emulsified Curcuma longa root extract is prepared using a non-chemical process which creates an excellent dual-phase, polar/non-polar emulsion for transport through the lipid membrane.

†† Specially grown, biologically active vegetable culture containing naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

This product is gluten, dairy and GMO free.

RECOMMENDATION: Two (2) capsules each day as a dietary supplement or as otherwise directed by a healthcare professional.

E-Mulsion 200®

Product Number: 1008

E-Mulsion 200® supplies a supplemental source of vitamin E (as d-alpha tocopheryl acetate), in an emulsified form, with mixed tocopherols, SOD, and catalase.

Active Ingredients:

Vitamin E (as d-alpha tocopheryl acetate and mixed tocopherols), Superoxide Dismutase (from vegetable culture †), Catalase (from vegetable culture †). † Specially grown, biologically active vegetable culture containing naturally associated and/or organically bound phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

Supplement Facts		
Serving Size: 1 Capsule		
	Amount Per Serving	% Daily Value
Vitamin E (as d-alpha tocopheryl acetate and mixed tocopherols)	200 IU	667%
Superoxide Dismutase (from vegetable culture †)	20 mcg	-
Catalase (from vegetable culture ††)	20 mcg	-
* Daily Value not established		

Other ingredients: Capsule Shell (gelatin and water).

† Specially grown, biologically active vegetable culture containing naturally associated and/or organically bound phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

This product is gluten and dairy free.

RECOMMENDATION: One (1) capsule each day as a dietary supplement or as otherwise directed by a healthcare professional.

Experiments published in **peer-reviewed nutrition journals** have confirmed Biotics Research's emulsified fat-soluble vitamins*:

Possess the smallest particle sizes of commercial emulsions tested

Have equal or greater uptake and bioavailability than micellized products

Show significantly less toxicity than micellized preparations

Are the most cost-effective form of fat-soluble vitamin supplementation

These results signify the beneficial effects of emulsified fat-soluble preparations, a result of over forty years of scientific literature.

A.D.P.[®]

Product Number: 1101

A.D.P.[®] is a proven effective, patented formula. Utilizing micro-emulsification and delayed release technologies, **A.D.P.[®]** delivers standardized oil of oregano throughout the digestive tract, where it functions to impact undesirable intestinal organisms.

Active Ingredients:

Oregano Oil (*Origanum vulgare*) (extract from leaf)

Supplement Facts		
Serving Size: 1 Tablet		
	Amount Per Serving	% Daily Value
Oregano Oil (<i>Origanum vulgare</i>) (extract from leaf)	50 mg*	
*Daily Value not established		
Other ingredients: Cellulose, modified cellulose gum, potassium sorbate, stearic acid (vegetable source), silica, water and gum arabic.		
A.D.P. [®] supplies oregano oil which is emulsified and processed in a sustained release form for optimal effectiveness. This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.		
Patent #5,955,086		
This product is gluten, dairy and GMO free.		
RECOMMENDATION: One (1) tablet with meals and at bedtime as a dietary supplement or as otherwise directed by a healthcare professional.		

Bio-ADEK-Mulsion™

Product Number: 1019

Bio-ADEK-Mulsion™ supplies vitamins A, D3, E, and K (K2 and K1 in a 1:1 ratio) in an emulsified form, to assist with uptake and assimilation.

Active Ingredients:

Vitamin A (as palmitate), Vitamin D3 (as cholecalciferol), Vitamin E (as d-alpha tocopheryl acetate and mixed tocopherols), Vitamin K (as K1 phytonadione and K2 menadione 1:1 ratio)

Supplement Facts		
Serving Size: 5 Drops (0.2 mL)		
Servings Per Container: 150		
	Amount Per Serving	% Daily Value
Vitamin A (as palmitate)	375 mcg RAE	42%
Vitamin D3 (as cholecalciferol)	25 mcg	125%
Vitamin E (as d-alpha tocopheryl acetate and mixed tocopherols)	20 mg	133%
Vitamin K (as K2 menadione and K1 phytonadione 1:1 ratio)	100 mcg	83%
Other ingredients: Emulsifier base (water and arabic gum), sesame oil and olive oil.		
This product is gluten and dairy free.		
RECOMMENDATION: Five (5) drops each day as a dietary supplement or as otherwise directed by a healthcare professional.		
CAUTION: Keep out of reach of children. Use only as recommended unless otherwise directed by a healthcare professional. Excessive consumption of vitamin A has been shown to cause serious health problems.		

Bio-Ae-Mulsion[®]

Product Number: 1004

Bio-Ae-Mulsion[®] is a source of vitamin A in an emulsified form, to assist with uptake and assimilation. It may be used in cases of vitamin A need. Each drop supplies 2,000 IU of vitamin A as palmitate.

Bio-Ae-Mulsion[®] is an oil-in-water emulsion. Vitamin A oil has been dispersed into microscopic particles to aid absorption and assimilation.

Active Ingredients:

Vitamin A (as palmitate)

Supplement Facts		
Serving Size: 1 Drop (0.04 mL)		
	Amount Per Serving	% Daily Value
Vitamin A (as palmitate)	2,000 IU	40%
Other ingredients: Water, gum arabic, sesame seed oil and d-alpha-tocopherol (as an antioxidant).		
Bio-Ae-Mulsion [®] is an oil-in-water emulsion. Vitamin A oil has been dispersed into microscopic particles to aid absorption and assimilation.		
This product is gluten and dairy free.		
RECOMMENDATION: One (1) drop each day as a dietary supplement or as otherwise directed by a healthcare professional.		
WARNING: For adult use only. Keep out of reach of children. Use only as recommended unless otherwise directed by a healthcare professional. Excessive consumption of vitamin A has been shown to cause serious health problems.		

Bio-Ae-Mulsion Forte[®]

Product Number: 1002

Bio-Ae-Mulsion Forte[®] supplies a concentrated source of vitamin A in an emulsified form, to assist with uptake and assimilation. It may be used in cases of vitamin A need. Each drop supplies 12,500 IU of vitamin A as palmitate.

Bio-Ae-Mulsion Forte[®] is an oil-in-water emulsion. Vitamin A oil has been dispersed into microscopic particles to aid absorption and assimilation.

Active Ingredients:

Vitamin A (as palmitate)

Supplement Facts		
Serving Size: 1 Drop (0.04 mL)		
	Amount Per Serving	% Daily Value
Vitamin A (as palmitate)	12,500 IU	250%
Other ingredients: Water, gum arabic, and d-alpha-tocopherol (as an antioxidant).		
Bio-Ae-Mulsion Forte [®] is an oil-in-water emulsion. Vitamin A oil has been dispersed into microscopic particles to aid absorption and assimilation.		
This product is gluten and dairy free.		
RECOMMENDATION: One (1) drop each day as a dietary supplement or as otherwise directed by a healthcare professional.		
CAUTION: Not recommended for pregnant or lactating women.		

Bio-D-Mulsion[®]

Product Number: 1007

Bio-D-Mulsion[®] supplies 400 IU per drop of vitamin D3 in an emulsified form to aid in uptake and assimilation, especially important for those with malabsorption issues. While the importance of vitamin D for musculoskeletal health is well documented, its importance in numerous other aspects of health are now recognized. They include (but are not limited to) cardiovascular health and immune function. Also noteworthy is the fact that inadequate levels of vitamin D are extremely common.

Bio-D-Mulsion[®] is an oil-in-water emulsion. Vitamin D oil has been dispersed into microscopic particles to aid absorption and assimilation.

Active Ingredients:

Vitamin D (as cholecalciferol)

Supplement Facts		
Serving Size: 1 Drop (0.04 mL)		
	Amount Per Serving	% Daily Value
Vitamin D (as cholecalciferol)	400 IU	100%
Other ingredients: Water, gum arabic and sesame seed oil.		
Bio-D-Mulsion [®] is an oil-in-water emulsion. Vitamin D oil has been dispersed into microscopic particles to aid absorption and assimilation.		
This product is gluten and dairy free.		
RECOMMENDATION: One (1) drop each day as a dietary supplement or as otherwise directed by a healthcare professional.		

These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

Biotics Research's Bio-Ae-Mulsion Forte[®]
Magnification 160x

Bio-D-Mulsion Forte[®]

Product Number: 1012

Bio-D-Mulsion Forte[®] supplies 2,000 IU per drop of vitamin D3 as a micro-emulsion for enhanced absorption and utilization, which is particularly important for those with malabsorption conditions. Published clinical studies have demonstrated significant improvements in 25(OH)D concentrations (202% increase) in as little as six weeks after beginning supplementation with **Bio-D-Mulsion Forte[®]**.

Bio-D-Mulsion Forte[®] is an oil-in-water emulsion. Vitamin D oil has been dispersed into microscopic particles to aid absorption and assimilation.

Active Ingredients:

Vitamin D (as cholecalciferol)

Supplement Facts		
Serving Size: 1 Drop (0.04 mL)		
	Amount Per Serving	% Daily Value
Vitamin D (as cholecalciferol)	2,000 IU	500%
Other ingredients: Water, gum arabic and sesame seed oil.		
Bio-D-Mulsion Forte [®] is an oil-in-water emulsion. Vitamin D oil has been dispersed into microscopic particles to aid absorption and assimilation.		
This product is gluten and dairy free.		
RECOMMENDATION: One (1) drop each day as a dietary supplement or as otherwise directed by a healthcare professional.		
This product is intended to be used under the direction and supervision of a healthcare professional. Use only as recommended unless otherwise directed.		

Bio-E-Mulsion Forte[®]

Product Number: 1006

Bio-E-Mulsion Forte[®] supplies vitamin E in a liquid, emulsified form to aid with absorption and assimilation, which is especially important for those with malabsorption issues. Each drop provides 30 IU of vitamin E as d-alpha tocopheryl acetate (natural vitamin E).

Bio-E-Mulsion Forte[®] is an oil-in-water emulsion. Vitamin E oil has been dispersed into microscopic particles to aid absorption and assimilation.

Active Ingredients:

Vitamin E (as d-alpha tocopheryl acetate)

Supplement Facts		
Serving Size: 5 Drops (0.2 mL)		
Servings Per Container: 150		
	Amount Per Serving	% Daily Value
Vitamin E (as d-alpha tocopheryl acetate)	30 IU	100%
Other ingredients: Water, gum arabic and sesame oil.		
Bio-E-Mulsion Forte [®] is an oil-in-water emulsion. Vitamin E oil has been dispersed into microscopic particles to aid absorption and assimilation.		
This product is gluten and dairy free.		
RECOMMENDATION: Five (5) drops each day as a dietary supplement or as otherwise directed by a healthcare professional.		

Bio-K-Mulsion[®]

Product Number: 1011

Bio-K-Mulsion[®] supplies 500 mcg per drop of vitamin K1 in an emulsified liquid form to aid in the uptake and utilization of this important vitamin. Vitamin K status is important in bone health, and recent research has linked it to cardiovascular health as well.

Bio-K-Mulsion[®] is an oil-in-water emulsion. Vitamin K oil has been dispersed into microscopic particles to aid with absorption and assimilation.

Active Ingredients:

Vitamin K (as K1-phytonadione)

Supplement Facts		
Serving Size: 1 Drop (0.04 mL)		
	Amount Per Serving	% Daily Value
Vitamin K (as K1-phytonadione)	500 mcg	625%
Other ingredients: Water, gum arabic and sesame seed oil.		
Bio-K-Mulsion [®] is an oil-in-water emulsion. Vitamin K oil has been dispersed into microscopic particles to aid absorption and assimilation.		
This product is gluten and dairy free.		
RECOMMENDATION: One (1) drop each day as a dietary supplement or as otherwise directed by a healthcare professional.
